Momencluture and personnel reporting of Clanicatine Services Staff units.

the Clambertine Services that the Director. This study brought of the fact that the so-called "staffs" in many cases centain oper constaff elements of considerable size, (such as TSS, oper raise) which greatly distant personnel reports.

2. The DDCI semmented that

of some of these incorrectly named 'staff' units to been more meanly reflecting their true status."

3. I heartily endorse the recommendation made by Gmeral Cabell, but find that such a change affects not only nown-clature but also the personnel reporting mechanisms of the Agency. I would like to request, therefore, that the Mangament Staff be asked to study and recommend proper precedure.
